ITEM 2

Changes to Deployment Working Group Report

For the past 3 - 4 weeks the DWG has been re-examining old data and analyzing new data pertinent to the basic DWG Report (1 Sept. 60). The resulting changes will be available for discussion [REDACTED]

ITEM 3

Scheduling of Certain Technical Collection Equipment

The Committee considered this matter but it developed that certain factual data was lacking - e. g., the question as to whether or not some equipment would suffer damage from a sudden shutdown; periods of time involved, etc. Since a firm conclusion could not be reached this matter was deferred until answers to these questions could be secured by Air Force and NSA Members.
